SERTOMA: A curious word until three very important words come together in unison:

**SERvice TO Mankind**

Sertoma is the third oldest civic organization in existence. Founded in 1912, in Kansas City, Missouri; the original club was built to aid in speech, hearing and language disorders. Today that remains the international sponsorship but Sertoma also sponsors community projects to promote freedom & democracy, to assist youth and to benefit a variety of local community needs as indentified by Individual clubs.

**Sertoma facts...**

- ◆ Sertomans total about 20,000 men and women members who belong to more than 650 clubs throughout the United States, Canada, Mexico and Puerto Rico.
- ◆ Sertoma Clubs raise more than \$20 million, annually for community and international sponsorships.
- ◆ Sertoma is a 501(c)(4) not-for-profit.

## What we are all about...

Queen City Sertoma Club Chartered February 15, 1999. Created for the working woman, the club includes a diverse group of women in and out of the workforce - working professionals or retired, mothers or grandmothers, We have a place for you!

There is power in numbers and with five active clubs in Springfield, each club provides for a different need in the community, working together to make a difference individually and through collaborative efforts with other clubs.

Our primary sponsorship is the Boys & Girls Clubs of Springfield. The Boys & Girls Clubs are working to provide a positive future for the community's at-risk children and Queen City Sertoma Club is a proud supporter.

Fundraising, volunteering, supporting the Boys & Girls Clubs in whatever way we can is our goal. And we continually strive to do this in a fun way that promotes new friendships and inter-club relations.

## How we operate...

We meet every Monday evening (except holidays), 5:30-6:30 pm at the Darrel L Love Sertoma Building, 318 S Campbell, Springfield, MO. Meetings last one hour, are informative and include interesting speakers from the community.

We have no attendance requirements, but programs and socializing with other members at these meetings are a pleasure you won't want to miss. Still, all club meetings are structured to keep you up to date with club activities so if you are not able to attend, members can easily stay informed through the next meeting, our club newsletter, and committee work.

Our regular quarterly dues are \$50 (annual discount available) and cover dues to Sertoma International, Heart of America Region and South Missouri District, as well, as our club operating expenses. Food for each of our weekly club meetings is currently provided by club members on a volunteer basis. Member expenses are reimbursed up to \$35 per meeting.
